November 2022

Dear Friend of Pioneer Resources,

Thank you for another incredible year in support of Pioneer Resources and commitment to the participants that we serve.

This past year we celebrated the beginning of our Wesley Campus expansion that includes the construction of a new building and upgrades to our existing facilities. This expansion will allow us to **centralize our services, grow existing programs, and provide new programs** in service to our community.

This summer, we completed our reaccreditation process by the Commission on Accreditation of Rehabilitation Facilities (CARF) with **top marks**, affirming the high quality of service provided by our incredible team.

Throughout 2022, we facilitated another deep dive into our agency and community stakeholders developing our new strategic goals to be:

- Known in the Community
- An Employer of Choice
- A Quality Provider
- Responsible Financial Stewards
- Responsible Organization to the Environment

With the heavy-lifting of 2022 nearing completion, we are ready to launch into 2023 to crush our goals—but we need your help!

Workforce shortages, supply chain issues, and economic uncertainty continue to **disproportionately impact individuals with disabilities and seniors**. Please consider a gift to our general fund that will support our area of greatest need or to Wish List items (enclosed) of ongoing agency needs. Together, we will continue Opening Doors of Opportunity!

With Gratitude,

Jill Bonthuis  
CEO

**PS. The first \$2,000 in donations received by December 15th will be matched dollar for dollar by Ramos & Sons Auto Body and Towing!**
